from the CHAIRMAN

Greetings,

Hinsdale is a special place for families and businesses to call home. The Hinsdale Chamber of Commerce 2024 Community Guide is your one-stop shop for information on all the businesses, services, nonprofits, and happenings in town. Every business in our membership, large and small, plays a role in making Hinsdale a destination for residents and for visitors to our wonderful and plentiful shops, restaurants, services, and events.

In 2024, the Hinsdale Chamber will celebrate our 100th anniversary of representing the business community and fostering fun and collaborative community activities and we can't celebrate without YOU!

We hope you'll join us for our signature concert series, Uniquely Thursdays, each week this summer, June through August, featuring live music, food, drink, local merchant participation and best of all, all your friends and neighbors. You also don't want to miss the summer long Famers Market, our renowned Fine Arts Festival, the popular July sidewalk sale, the delicious Wine Walk followed by the Hinsdale Fall Festival in October, and finally the Christmas Walk to kick off the holiday season in December.

All community members, businesses, visitors, and shoppers are invited to visit hinsdalechamber.com, sign up for the Hinsdale Chamber newsletter and stay connected with all events, as well as sign up to receive weekly discounts, coupons, and certificates from area Chamber businesses via email.

The Chamber also works in partnership with the Village Economic Development Commission to maintain, develop, and promote the entire Hinsdale business community. Fresh-cut greenery decorating the village during the holiday season are provided by the Hinsdale Chamber of Commerce and Village of Hinsdale, which serves our community in other innumerable ways. We also work closely with the Village and local businesses to promote Small Business Saturday (Saturday after Thanksgiving). Please remember to shop and dine local. Our accomplishments are made possible through the cooperation and support of our local businesses, commercial and professional people, the village, and the community working together.

Thank you for shopping local to support our business community; Hinsdale truly is a special place to shop, dine, and discover.

VILLAGE SERVICES

Who picks up the garbage?

The village has contracted with Republic Services for residential refuse collection. Residents have the option of either curbside or backdoor collection service. Primary collection days are Mondays for homes south of the railroad tracks and Thursdays for homes north of the railroad tracks.

Customers who have opted for 65 and/or 95-gallon collection service will be provided refuse and recycling totes by Republic Services. 35-gallon toter collection service requires homeowners to provide their own refuse toter(s). Recycling totes will still be provided.

Residents who wish to use their own 35-gallon container must have back door pickup. Homeowners age 65 and older are eligible for a senior discount. Any additional refuse or large items must be placed at the curb with a sticker on each item.

Stickers may be purchased at the village offices and the following locations:

KRAMER FOODS
16 Grant Square

SHELL FOOD MART
210 E. Ogden Avenue

FULLER'S HOME & HARDWARE
35 E. First Street

MOBIL
Chicago and Washington

For additional refuse information, visit the village's website at villageofhinsdale.org/departments/public_services/garbage_waste_disposal.

Who picks up recycling?

Recyclables will be picked up on the primary pickup day. Items that are included in the village's curbside recycling program are computer paper, packing paper, white paper, glass bottles and jars, colored paper, aluminum cans, clean foil, tin cans and empty aerosol cans, - #1 PET bottles and containers - #2 HDPE bottles

and containers - #3 PVC bottles - #4 LDPE bottles and containers - #5 PP plastic bottles and containers - #7 plastic narrow neck grocery containers, six- and 12-pack rings, newspaper, direct mail, magazines and catalogs, phone books, brown paper bags, cereal boxes, beverages cartons, and corrugated cardboard.

What should I do with landscape waste?

All grass, leaves, shrubbery, vine trimmings and the like must be contained in 34-gallon biodegradable paper bags and placed on the curb for pickup on the primary collection day. One sticker must be placed on each 34-gallon biodegradable paper bag. Plastic bags or cans containing yard waste will be left uncollected even if there is a sticker on them. Solid waste and landscape waste may not be mixed. Landscape waste will be picked up between April 1 and December 1 of each year.

Do I need a vehicle sticker?

An animal license?

Yes. Vehicle stickers and animal licenses may be purchased at the village office, 19 E. Chicago Avenue. Renewal applications are mailed each year.

Vehicle license stickers go on sale March 1. Vehicle stickers have an annual fee of \$48. Trucks under 8,000 lbs. are \$63 and trucks over 8,000 lbs. are \$108. Stickers must be displayed by May 1. Senior citizens pay \$24 with a valid driver's license and vehicle registration.

Stickers for motorcycles, motorbikes, and mopeds are \$24.

A permanent bicycle license is available and may be obtained for free at the police department. All bicycle riders are required to obey the same traffic regulations as motorists. Warnings will be issued by the police department to all bicyclists not complying with traffic regulations and records of warnings given will be kept. Assignments may be made to special bicycle safety education classes and traffic tickets may be issued to habitual violators over age 16. Bicycle "Rules of the Road" may be obtained from the police department.

Licenses for neutered male and female dogs and cats are \$5, \$20 for unneutered male or female dogs and cats. Animal licenses are due April 30 each year. A valid rabies certificate is required prior to issuance of an animal license. Dogs (or cats) are neither allowed to run at large nor on a leash in village parks or public places except KLM Park during the days and times that are posted. Pet owners are required to remove their pet's excrement from public or private property.

VILLAGE SERVICES

Where can I park my car?

Residential Neighborhoods

Parking is prohibited overnight on public streets from 2 a.m. to 6 a.m. Residents may be granted parking permission for guests and visitors to park overnight by visiting the police department's website and requesting permission to park via the overnight parking permission quick link.

Central Business District

Free parking is available for shoppers and diners in the 3-hour parking zone which encompasses close to 300 parking spaces in the central business district.

Up to six hours of free parking is available in the lower portion of the parking deck. Paid parking is available in the Washington Garfield and Village Lots.

What is the speed limit in town?

Traffic ordinances are strictly enforced for the safety of Hinsdale motorists. Speed limits are 25 mph on most streets except in the business district and school zones, where the limit is 20 mph or otherwise as posted.

When can I water my lawn?

Because the village of Hinsdale receives water from Lake Michigan, water conservation measures are required by the Illinois Department of Natural Resources, Office of Water Resources, to restrict outdoor water use and to encourage conservation. Lawn sprinkling restrictions go into effect on May 15 and remain in effect through September 15. During this period, lawn sprinkling is allowed from 6 to 10 a.m. and 6 to 10 p.m. Even-numbered street addresses water on even number days. Odd-numbered street addresses water on odd number days. A temporary permit is available to water newly seeded or sodded grass. **Contact the village at 630-789-7070 with questions. If necessary, these restrictions can be expanded by the village manager; residents will be notified of any changes.**

What is included in my water bill?

A sewer use charge of 15 percent of the net water bill is made for all homes and businesses connected to the village sanitary sewer system. These funds are used to keep sanitary sewers in good working order through a program of cleaning, maintenance, and repair. Some homes in Hinsdale near 55th Street are served by sewers owned and maintained by the Flagg Creek Water Reclamation District (a separate government agency). The Flagg Creek Water Reclamation District also levies a sewer use charge that is billed to each home in Hinsdale served by the district. That sewer use charge is used to pay the cost of collection and treatment of sewer wastes. Call the Flagg Creek Water Reclamation District at 630-323-3299.

VILLAGE SERVICES

Who supplies water to the village?

Water is supplied to the Village of Hinsdale through the DuPage Water Commission, which purchases water from the City of Chicago. The village is one of 23 charter customers of the commission who receive their water from Lake Michigan. The central pumping and pressure adjusting facility for the village is located at 217 Symonds Drive. Water quality is monitored daily to ensure uniform quality and purity. The water is very low in sodium, total dissolved solids, and a hardness of approximately eight grains. **Contact the water billing department at 630-789-7020 for questions about water bills.**

When do I need a building permit?

Building permits are required for building construction, alterations, repairs, and demolition. Separate permits are required for electrical work, plumbing, driveways, water-Freon-cooled air conditioning units, fences, decks, and porches. Permit fees vary with the nature and scope of the work. Permits are issued by the building department at Village Hall. Detailed plans must accompany permit applications. Commercial construction requires approval of the Hinsdale Plan Commission and Hinsdale Village Board prior to issuance of permit. Commercial signs require plan commission approval and a permit. A separate permit for sewers is required from the Flagg Creek Water Reclamation District before a building permit is issued by the village.

What controls building in the village?

Hinsdale's zoning ordinance is strictly enforced. The zoning ordinance regulates land use, setbacks, side yards, rear yards, heights, intensity of use and off-street parking. Appeals for variations from the zoning ordinances may be filed with the Hinsdale Zoning Board of Appeals. **For more information, call the building commissioner at 630-789-7036.**

Can I burn leaves in my backyard? Can I have an outdoor fireplace?

Hinsdale's air pollution control ordinance prohibits all open burning, including backyard incineration in a container of any type or the burning leaves or any other materials on private or public property. Fires for the purpose of barbecuing or fires in indoor, private fireplaces are permitted provided the smoke coming from these fires does not exceed the limits of white or very light gray smoke as set forth in the ordinance.

Smokestack and chimney emissions from stores, institutions, apartment buildings, and one or two-family residences are also regulated by the ordinance. **To report a violation of the air pollution control ordinance, call the air pollution control officer at 630-789-7030.**

What are the phone numbers for the police and fire departments?

Emergency	911
Police Administration	630-789-7070
Fire Administration	630-789-7060

Police services, in addition to crime prevention and enforcement of laws, also include youth services, home security inspections, home watch program, as well as a reassurance program, which is a daily phone call check of senior citizens, the handicapped, and other persons, particularly those living alone.

Fire protection services are provided by a department that has efficient, up-to-date equipment including emergency paramedic ambulance service.

A continuing facet of the department's work is providing classes in cardiopulmonary resuscitation (CPR), which are open to the public, home inspections, and fire prevention information with safety recommendations, all of which can be arranged by calling 630-789-7060.

Who do I call about street repairs?

Potholes and routine repairs are made by the public service department. Major resurfacing work is done on streets previously constructed to village standards with state motor fuel tax funds allocated to the village. New street construction is done through a special assessment or special service area financing of property owners whose property is benefited from the improvement.

Who maintains parkway trees?

Tree planting, trimming, and removal on public grounds, including parkways, is done on a scheduled basis by the village tree crew.

Report diseased elm trees to the public services department for prompt inspection.

Homeowners are required to remove diseased elms on their property within 10 days after notice to protect against the spread of the disease to another tree. The village removes diseased elms from the parkway.

The village replacement trees have trunks 2 inches in diameter. **If a resident wishes to plant a larger tree on the parkway, they should call the village at 630-789-7030 to discuss the species of tree and cost involved.**

Where can I register to vote?

Cook and DuPage County residents may register to vote at the village clerk's office on the first floor of the east wing of the Memorial Building, 19 E. Chicago Avenue, from 9 a.m. to 4 p.m. Tuesday through Friday. Call 630-789-7011 for more information. DuPage County residents also may register to vote at the Hinsdale Public Library, 20 E. Maple Street, during normal business hours.

CHAMBER of the Century:

100 Years of Connecting Our Community

This year, our Hinsdale Chamber of Commerce celebrates a century of service, promoting the economic well-being of the local community. Since its early days in 1924, as the Hinsdale Commercial Association, to 2024, its leadership has worked tirelessly to bring opportunities to Hinsdale, including a thriving restaurant industry.

For 85 years, the village banned bars and drinking establishments. Even before national prohibition began in 1920, residents in Hinsdale voted for a dry town (small quantities of spirits could be purchased for private consumption at home). Following the end of prohibition in 1933, the village opted to maintain the ordinance until April 2001 when the referendum was overturned by voters, allowing liquor licenses to be granted and enticing restaurants and boutiques to open in the village. A driving force behind this change and to bring restaurants to Hinsdale—the **Hinsdale Chamber of Commerce!**

Today, the chamber continues to bring opportunities to the village including annual events like the ever-popular Hinsdale Wine Walk which started in 2019, the Hinsdale Christmas Walk which started in 1966 as a beautiful family tradition, and Uniquely Thursdays which started in 2002 and brought the party to the streets. Each year, adding value to the community and helping to create a prosperous business district for both shop owners and local citizens alike.

As the Hinsdale Chamber of Commerce celebrates 100 years of enriching the community, we present a look at some of the notable local chamber members celebrating key anniversaries in 2024.

1873 - Village of Hinsdale

Founded in 1873, the Village of Hinsdale started as the town of Hinsdale in 1863 after William Robbins purchased the land surrounding the Chicago, Burlington & Quincy Railroad's track. Robbins platted the village in 1865 and built the first school in 1866. After years of development and the attention of land developers, wealthy Chicagoans, German and Swedish tradesmen, and others, the village was incorporated in 1873. Today, more than 17,000 people call the friendly village home.

Candor Health Education

15 Spinning Wheel Road, Suite 410, Hinsdale
630-325-1900
candorhealthed.org

Candor Health Education is celebrating its 50th Anniversary. Formerly the Robert Crown Center for Health Education, we continue to partner with more than 660 schools across 14 counties, ensuring that young people receive accurate health and prevention information as they transition from elementary to middle school and high school.

Last year, our 14 health educators taught sex education and substance abuse prevention topics to more than 86,000 4th through 8th grade students. We provide in-person programs to schools within 35 miles of our Hinsdale office and live virtual programs to schools. Our live virtual programs became popular during the pandemic. Students feel comfortable asking questions in our anonymous chat

via Zoom.

All our programs include social-emotional learning topics designed to help students improve their communication, decision-making, goal-setting, and learning strategies to manage stress and anxiety in a healthy manner. In that same vein, we provide parents with program overview recordings so they can prepare to answer questions afterward. Our curriculum is detailed on our website (by topic and age group), spanning from 4th/5th grade puberty class and 6th grade human reproduction and embryology to teen sexual health classes for 7th and 8th graders. We have long-standing relationships with Chicago area schools and families and, as a trusted resource, continue to meet the needs of diverse communities.

We have fundraisers throughout the year for the community to support our efforts to provide health education programs to as many students as possible. Go to our website to join our mailing list: candorhealthed.org, or follow us on your favorite social media channel by searching our handle: [@candorhealthed](https://www.instagram.com/candorhealthed).

Community Memorial Foundation

cmfdn.org

Community Memorial Foundation (CMF) is a private health conversion foundation established in 1995. The Foundation's grantmaking and community work are guided by its mission—to measurably improve the health of those who live and work in the Western Suburbs of Chicago. Throughout 28 years of regional investment, CMF has proudly awarded more than \$80 million to nonprofit organizations serving the Western Suburbs of Cook County and southeastern portion of DuPage County.

Through its partnership with grantee organizations and community stakeholders, Community Memorial Foundation manages a grantmaking portfolio that includes a Regional Health and Human Services Agenda, Responsive Grants Program, and Building Organizational Effectiveness Program.

Its integrated regional agenda identifies health and human service priorities for the Foundation's service area and highlights

corresponding indicators to track progress over a ten-year time frame. The agenda, and the community programs funded in support of it, advance the triple aim of healthcare: to improve population health, improve the patient's experience of care, and reduce cost.

The Foundation's Responsive Grants Program provides funding that empowers local nonprofit organizations to address issues that impact overall community wellness, including healthcare, health equity, food access, housing, and public safety. CMF's grantmaking is guided by its mission and its vision of transforming the region into the healthiest in the country.

Through the Building Organizational Effectiveness (BOE) Initiative, Community Memorial Foundation provides grantee organizations with continuous learning opportunities to facilitate effective management, sound governance, and increased organizational capacity. Offerings include organizational assessment, technical assistance grants, and a Leadership Institute for nonprofit executives. The BOE program has recently expanded to include YC2, a youth philanthropy program designed to educate and empower local high school students to become our community's next generation of philanthropists.

Graue Mill & Museum Frederick Graue House

3800 S. York Road, Oak Brook
630-850-8112
forest@dupageforest.org

GRAUE MILL & MUSEUM

Graue Mill, located off York Road, one half mile north of Ogden Avenue, is the only operating water-wheel gristmill in the greater Chicago area. Fred Graue built the mill in 1852 to serve the surrounding countryside of Brush Hill (Hinsdale), and it served the community until the turn-of-the-century when modern milling methods rendered the old mill obsolete.

Today, thousands of visitors annually view the basic milling process. After browsing the museum store on the ground floor, they may also stroll the museum's upper stories, which contain an old-fashioned barn, a nostalgic child's room, a Victorian drawing room, an early American kitchen and sitting room, and an old country store complete with genuine rock candy and high-button shoes.

Spinning and weaving artisans provide demonstrations and events are held on weekends when the mill is open.

SEASON

Mid-April to mid-November, Thursdays through Sundays.

Admission: Free

Groups of 20 or more require a reservation. Call 630-850-8112.

FREDERICK GRAUE HOUSE

The Frederick Graue House, built in 1859, stands next to Graue Mill. Restored and opened to the public in 2002, the house is a fine

example of Italianate architecture. The interior of the house has been converted into a multi-use facility and is used for special programs and exhibits by Graue Mill.

For more information regarding rental of the Frederick Graue House, please call 630-850-8112. The Forest Preserve District of DuPage County owns, operates, and maintains the Frederick Graue House, Graue Mill and the surrounding grounds.

HCS Family Services

For the past 86 years, HCS has provided caring and compassionate support for people living on the margin in the Western Suburbs of Chicago. We strive to prevent food-insecurity (having reduced quality and/or amount of food intake) and help our low-income neighbors and their families achieve sustained self-sufficiency and improved quality of life. HCS Family Services provided groceries to 12,999 families in 2022, a 10 percent increase over 2021.

We are able to provide healthy and nutritious foods through generous donations from the community. We can buy \$8 worth of food for every \$1 donated through our partnership with the Northern Illinois Food Bank.

We could not fulfill our mission without the time and talents of volunteers. In 2022, 3,852 volunteers from our community were engaged in the work of HCS. Our volunteers load carts, register pantry guests, sort food, bag groceries, and work in our office.

We have many partners which include the Northern Illinois Food Bank, UChicago Medicine AdventHealth, local churches, schools, and community organizations. These groups provide volunteers for special projects, host food drives, and/or raise funds, while bringing our mission of championing food insecurity to life.

HCS provides holiday gifts to individuals and families who rely on food pantries and do not have the means to purchase gifts

for themselves and family members. We coordinate with area churches, schools, and philanthropic groups whose members purchase gifts listed on participants' holiday wish lists. In 2022, we provided gifts to 955 individuals.

In July, HCS began a partnership with UChicago Medicine AdventHealth Hinsdale and the Seventh Day Adventist Church (SDA), to provide food for patients identified as food insecure. UChicago Medicine AdventHealth Hinsdale physicians and residents screen patients and if necessary, refer them to HCS food pantry where healthy food is distributed.

Next spring, we will be moving to our new facility at 22 N. Elm Street, the former Hinsdale Humane Society. The new space will include a large warehouse with walk-in cooler and freezer, marketplace for pantry neighbors to shop, and offices for partners to consult with pantry guests.

Our Pantries: HCS operates a community pantry (Hinsdale) and a school-based pantry (Willowbrook). We provide food, personal items, and paper products (free of charge) to 13,000 families per year. We purchase food from the Northern Illinois Food Bank (NIFB), rescue food from area grocery stores (475,000 pounds in 2022), and work with individuals and community organizations to sponsor food drives. We distribute food using a pickup model in Hinsdale on Mondays and Fridays. In Willowbrook, our pantry guests can shop inside the pantry (families of CCSD 180 only) or pick up food on Wednesdays.

AROUND TOWN

Hinsdale Historical Society

15 S. Clay Street, Hinsdale
630-789-2600
hinsdalehistory.org

Incorporated in 1975, the Hinsdale Historical Society bridges the past, present, and future by engaging the community with its architecture and history. Serving as the repository for Hinsdale's rich history, the society collects and preserves archival material and artifacts for research and exhibition. As a nonprofit supported entirely by memberships, donations, and fundraising, the society maintains three historic properties, offers a variety of educational programs, and collaborates with the community to instill pride in Hinsdale's heritage.

THE HINSDALE HISTORY MUSEUM, 15 S CLAY STREET

The home, constructed in 1874, depicts the life of a middleclass family during the village's early years prior to 1900. Donated by School District 181, the house was relocated to Eleanor's Park in 1981. Through private fundraising and volunteer efforts, a full restoration resulted in seven period rooms filled with authentic antiques and features small exhibits, a program space, and a gift shop. The Hinsdale Garden Study Club lovingly tends the beautiful Victorian garden. Open to visitors by appointment. Admission is free, but donations are greatly appreciated.

IMMANUEL HALL, 302 S GRANT STREET

This 1900 church, saved from demolition in 1999, is home to the Society's local history archives and the Roger and Ruth Anderson Architecture Center. The archives are open for research by appointment. The Hall is also available for use by the public for community meetings, nonprofit fundraisers, public seminars, musical recitals, and more.

R. HAROLD ZOOK HOME & STUDIO, 5905 S COUNTY LINE ROAD

In 2005, the Society saved the Cotswold-style cottage designed for his family by Hinsdale architect R. Harold Zook. The home and studio were moved to Katherine Legge Memorial Park next to the Zook-designed lodge. Although still in the rehabilitation process, the building's unique architectural style can still be enjoyed within the historic park setting.

For those wanting to explore Hinsdale's neighborhoods, the Society, in partnership with Hinsdale's Historic Preservation Commission, launched a tours app: HistoricalTourist: Hinsdale. Like having a private tour guide in the palm of your hand, the tours highlight and detail the local architecture and stories of Hinsdale's past. It's free to download for both Apple and Android devices.

The annual Hinsdale Kitchen Walk, the Society's essential fundraiser, has become a local not-to-be-missed experience. Held the Friday before Mother's Day, hundreds of people tour exclusively selected homes to view uniquely designed kitchens, sample food and products from fabulous vendors, and enjoy Hinsdale's unique charm.

Hinsdale Historical Society members enjoy member-only events, social gatherings, and history-related programs, presale tickets to limited ticket events, discounted rates on programs, events, archival research, Immanuel Hall event space rentals, and merchandise and the ability to support and be an integral part of the Hinsdale community.

hinsdalehumanesociety.org

Since 1953, Hinsdale Humane Society (HHS) has provided innovative care and adoption services for all animals. We educate and adopt out pets, acting as a voice for animals who depend on people for their care. We nurture the human-animal bond through community outreach and progressive programming, to help ensure the compassionate treatment of all animals.

Our Therapaws Pet Therapy Program provides the healing power of pets through various program components: Pet-A-Pet Therapy, READ Program, and CARE Program.

The Humane Education Program offers fun and innovative ways for community members to advocate for the humane treatment of all animals and explore the special bond between humans and pets. This program includes tours, volunteering, camps, and youth programs.

Our Training and Enrichment Program focuses on classes intended to foster a healthy, positive bond between people and their companion animals. By promoting humane animal treatment, responsible pet care, and positive reinforcement tactics for addressing behavioral issues, we help keep pets with their families.

Through our BJ Chimenti Angel Fund, we are able to offer companion animal matchups, animal support services, and engagement opportunities to our veterans and their families.

We are committed to helping pet owners keep their companion animals in their homes. Our Community Resources help people and pets by providing affordable basic pet care, food pantry services, and connections to other resources.

We care for more than 1,800 animals each year. All adoptable animals receive a health examination, vaccinations, spay/neuter surgery, microchipping, and a behavior assessment. We provide shelter, food, care, and enrichment for the animals until they are placed in loving homes.

For more information about HHS, including how to volunteer, donate, or adopt, please visit hinsdalehumanesociety.org.

The Community House

thecommunityhouse.org

Based in Hinsdale and serving the surrounding suburbs, The Community House is a nonprofit organization, not supported by tax dollars, that offers both community recreation and quality social services to people of all ages and walks of life. We make a difference in the lives of thousands of individuals and families by providing local opportunities for athletics, arts and culture, counseling, education services, volunteer opportunities, and

community connections.

The rich and dynamic history of The Community House began in 1941 when a group of residents recognized there was a growing need to support and serve the community. Committed to the belief that the community should take care of its own as the nation entered World War II, they set in motion a series of extraordinary accomplishments that took the organization from its original location in downtown Hinsdale, through moves, renovations, and expansions, to our present facility. Through the culmination of generations of leadership, The Community House meets the daily needs of today's community in ever more relevant ways. **To learn more, call 630-323-7500 or visit thecommunityhouse.org.**

Hello, I am Bea Wolfe the host of **The Faces Of the Hinsdale Area** and an active Real Estate Broker.

I am thrilled to be able to share positive and wonderful stories of our great community one smiling face at a time. Every person that lives and/or works here contributes to making this One Great Place to live – and I get to celebrate them by sharing their story with you!

In addition, I am helping people from all over the world and this county buy homes in our Community! I am surely blessed, and happy to help your family and friends that are buying or selling.

Who do you know here in The Hinsdale Area that gives back? It could be a teacher, a Non-profit, a chef or really anyone you know that makes you smile! Could you take a moment, and nominate them?

Hinsdale will always be home to DMG – we love the atmosphere, the opportunities and especially the people. Hinsdaleans know how to live a beautiful life filled with family, friends and personal adventures.

Perhaps it's time to add a second setting, a second home to your story – urban energy, lakefront serenity, the beauty of the gulf waters, the majesty of the mountains – we've listened to what you're saying, we've done our research and now we're sharing all of these places that call out to you. When it's time for an additional chapter, an extension to your story, contact us at DMG and we'll be more than happy to guide you along the way.

Finding your ideal setting is what we do. Let us take you there.
